

System Warranty

Warranty

Subject to the conditions outlined below. Advanced Cold Formed Sections Limited warrants that the systems, as originally designed, will perform to the original stated performance parameters for the System.

The warranty applies to the systems provided they are constructed solely with the products designed and where applicable supplied by Advanced Cold Formed Sections and installed by a professional contractor strictly in accordance with the current Advanced Cold Formed Sections published literature. Published Literature includes Advanced Cold Formed Sections Technical Manual, BS 5910 part 5 and BS EN 1993-1-3:2006 and unique design proposals for a given project which include CAD drawings, advice and specification.

The Warranty does not apply to defects arising from (i) abnormal use of the systems (ii) deliberate damage to the systems (iii) negligence by the Customer or a third party (iv) any failure to assemble install, use, or maintain the systems in accordance with the Published Literature (v) any subsequent alteration to the systems not in accordance with the Published Literature (vi) performance or suitability of the system to perform against parameters not previously advised to Advanced Cold Formed sections.

Warranty Obligations

In the event that a product is proven not to comply with the warranty, Advanced Cold Formed Sections Limited agrees, at its sole option, to:

- Repair the defective product at its own expense so as to remedy the defect; or
- Replace the product or the defective part of the product at its own expense so as to remedy the defect.

Advanced Cold Formed Sections Limited may require you to provide proof of purchase and give Advanced Cold Formed Sections Limited a reasonable opportunity to inspect the Products. Advanced Cold Formed Sections Limited must be informed in writing within 30 days of discovering any Defect.

The repair or replacement of the Product or System is at Advanced Cold Formed Sections's sole and exclusive liability in relation to any breach of this warranty. To the extent permitted by applicable law, all other warranties and conditions are excluded.

ACFS may in certain situations agree to a collateral warranty covering an individual scheme in which case this warranty is superseded and withdrawn by any such collateral warranty.
